As an attorney based out of Cheyenne, Wyo., Hageman currently engages in civil litigation and public policy matters involving water and natural resource administration and management, agricultural issues, national forest management, the Endangered Species Act, the National Environmental Policy Act, land use, civil rights litigation, and governmental regulations. Hageman was one of two lead trial counsel to protect

Wyoming's rights and entitlements in the North Platte River Basin in the seminal water law case, *Nebraska v. Wyoming*, No. 108 Original, which was adopted by the U.S. Supreme Court in 2001.
